The Promise works with severely disabled children within the orphanage system and the community of Ryazan, Russia. We train local Russians in the internationally-acclaimed pre-school education system called Portage. Our work has improved the lives of these children immensely. Please help us to help even more children and to change attitudes to disability in Russia. See [www.thepromise.org.uk](http://www.thepromise.org.uk) for the latest update on our innovative work.
